Dear Mr. Westwick:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT REQUEST;  
FOIA TRACKING NUMBER DON-NAVY-2014-000782

This is in reference to your Freedom of Information Act (FOIA) request dated February 27, 2009, originally addressed to the OSD/JS FOIA Requester Service Center. Your request was forwarded to our office on March 19, 2013.

Upon review of the records, we determined that the document titled "ELF Radiation from A Number of Dispersed Antenna Locations for Submarine Communications, JSR-88-19" is releasable in its entirety. This record is provided to you accordingly.

Additionally, we have determined that the document titled "BASSOON IV, 27 Apr 1965, Report 164" contains information that must be reviewed by the U.S. Department of Energy FOIA Requester Service Center, 1000 Independence Avenue, SW, Mail Stop MA-90, Washington, DC 20585. Therefore, we have forwarded your request to that official for action and direct response to you.

Questions regarding the action this office has taken during the initial processing of your request may be directed to our FOIA service center at (202) 685-0412. For questions regarding the current status of your request, please contact a FOIA Coordinator at DOE directly at (202) 586-5955.

Sincerely,

ROBIN PATTERSON

Head, DON PA/FOIA Program Office
